As we navigate this dynamic era in education, our university continues to evolve as a community of learners and leaders. The growing participation in academic seminars, cultural initiatives, and extension activities reflects the spirit of collaboration that binds us together. From knowledge festivals to research outreach, each step forward is a collective triumph.

In these pages, you will find glimpses of efforts that resonate with our vision — whether it be enriching pedagogy, nurturing innovation, or empowering the next generation of changemakers. Let us continue to uphold the ideals that guide us and inspire others through our shared pursuit of academic distinction and societal responsibility.

Warm regards,
Shri Satyam Roy Choudhuri

Next, we celebrated the Inauguration Ceremony with the lighting of the ceremonial lamp, symbolizing the arrival of spring and the blossoming of new ideas and energy. The excitement built as we moved into the Prize Distribution Ceremony, where the winners of the Drawing and Rangoli Competitions, along with the Drama performers, were honored for their hard work and dedication.

But the true magic of Basanta Utsav lay in the Cultural Programme, which brought the campus to life with spectacular performances. From the melodious voices of Mainak Chakraborty, Agape Molsom, Saptarshi Chowdhury, Niha Shil, and Riya Banik, to the graceful and energetic dances by Dopati Paul, Heena Ghosh, Riya Debnath, and many others, the entire day felt like a vibrant celebration of talent and creativity.
